

**NSDI Cooperative Agreements Program
Integration with Web Mapping Services
Interim and Final Project Summary Format**

Agreement Number:
Indicate interim or final report.

List:

Organization: Name, address, web address.

Project Leader: Name, telephone, email.

List (if appropriate) **collaborating organizations**

Project Narrative: Summarize the project activities. Include its accomplishments, successes strengths and weaknesses, further challenges, and collaboration activities as appropriate.

Status of your Clearinghouse Node

- Site Name
- How many metadata entries?
- How many metadata entries with OGC WMS references in them?
- Issues in metadata management and service

Status of your Web Map Service

- Software type and version used
- Status/Issues with the OGC WMS setup
- Provide URL to your WMS "getCapabilities" request
- Describe what types and coverage of data are present

Integration

- Provide status of Clearinghouse or geodata.gov search portal to access your maps through the metadata (URL)
- Successes and Problems
- Recommendations

Next Steps (if appropriate)

- Describe the next phase in your project
- Requirements (more technical assistance, software, other?)
- What areas need work?

Feedback on Cooperative Agreements Program:

What are the program strengths and weaknesses?

Where does the program make a difference?

Was the assistance you received sufficient or effective?

What would you recommend doing differently?

Are there factors that are missing or need to consider that were missed?

Are there program management concerns that need to be addressed? Time frame?

If you were to do this again, what would you do differently?
